ABOUT HT PRO BONO

HT Pro Bono is the only U.S. organization systematically training attorneys to pursue justice for trafficking survivors in civil courts. Since 2012, we have:

- Trained **3,000+** attorneys at top international law firms
- Linked hundreds of victims to pro bono attorneys in **220+** cases
- Educated **14,000+** community leaders on victims' legal rights

We provide pro bono attorneys technical assistance step by step throughout the complex legal process. In more than 90% of these cases, survivors emerge victorious. Each victory emboldens more survivors. And entire families start life anew. When victims have lawyers, victims have rights.
